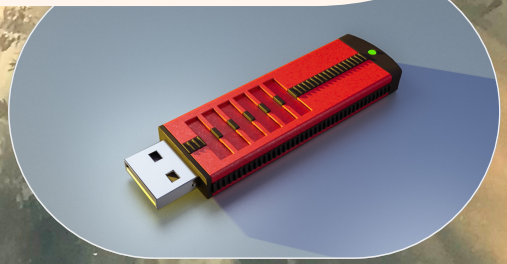
Water
Never drink tap water after an emergency until authorities have advised it is safe.

Important documents

Keep up to date copies of important documents in your emergency kit. These can also be scanned onto a USB to save space.



Protective clothing

For each family member:

- Natural fibre clothes eg – wool, cotton, denim
- Sturdy shoes or boots
- Heavy-duty gloves, goggles or safety glasses
- Warm jumper, waterproof jacket & a brimmed hat

EMERGENCY KIT

GETTING READY FOR EVACUATION

www.kingborough.tas.gov.au/emergency-management/

Non-perishable food

Have at least three days' worth of non-perishable food.

Bedding

Where you evacuate to may have limited supplies of bedding. Camping mattresses and sleeping bags are easy to store in your kit.

Torch & radio

Take a battery torch/lantern and battery radio for emergency updates.

Blanket

Take a woollen or fire blanket with you in case you get caught on the road.

First Aid kit

A properly equipped first aid kit can save lives. Make sure you include a first aid manual.

Mobile phone & chargers

Extend the life of your phone by ensuring you have a spare phone charger and power pack.

Essential medications

Consider what medications or supplies you might need and include their title, dosage and copies of your prescriptions.
