INVITATION TO JOIN LOVE LIVING LOCALLY

For immediate release

12 January 2017

Kingborough's premier sustainable living event and community celebration is just around the corner, and getting bigger each year.

The 7th annual *Love Living Locally* festival will be held in and around the Kingborough Civic Centre on Sunday 19 March, from 10am to 3pm.

Over 60 stalls have already registered for the event, and Council is inviting anyone who wishes to showcase their local product or service to be a part of this fabulous event. Expressions of interest close on 20 January.

Entertainment is also an important element in what makes this festival such a success and we continue to seek more buskers and performers. Anyone wishing to be a stall holder or entertainer should contact the organisers via www.lovelivinglocally.com.

Kingborough's Community Group of the Year 2017, Sustainable Living in Kingborough (SLiK), who created and organised the first Love Living Locally event are delighted it has grown so much over the years and is now attracting over 5,000 people on the day. SLiK aims to attract a variety of new stall holders and said "This is a vibrant community event that is attracting more and more people each year, great for networking and collaborating, learning and relaxing in and around our Civic Centre. This is a great place to launch your business or ideas and be part of innovative, sustainable thinking. This year SLiK is partnering with a range of groups to provide practical, entertaining, thought provoking workshops and displays about waste reduction and climate change initiatives in the Kingborough area."

Love Living Locally brings together the best Kingborough has to offer including,

- Local food and produce;
- Music and entertainment;
- Sustainable living information and displays;
- Childrens' activities;

Kingborough

- Local community groups and organisations; and
- Bush care and coast care information.
