3 ALTERNATIVE TRADING LOCATIONS

Council may permit alternative trading locations on request. Alternative trading locations must meet all applicable Food Truck Policy conditions. Council will assess the suitability of an alternative site from a public safety and convenience perspective; including consideration of the surrounding business and recreation activities, proximity to residential dwellings, site space and topography, and the food truck dimensions.

If you would like to propose alternative trading locations for consideration, please specify clearly on your permit application and provide supporting locality maps, as well as proposed trading times and days.

Any permit granted for a vendor to operate at an alternative location does not guarantee availability or exclusivity to that trading location and Council reserves the right to add an alternative trading location to the pre-approved trading sites list for all vendors.

Below is a list of potential alternative locations:

- Taroona Beach Carpark
- Cartwright Reserve, Taroona
- Tinderbox Carpark
- Snug Beach Carpark
- Silverwater Park, Woodbridge
- Pontoon Road, Alonnah
- Adventure Bay Road, Adventure Bay.
