POSITION OBJECTIVE

The position is responsible for:

1. Ensuring the provision of efficient and effective statutory planning services and to managing a small team undertaking statutory planning functions within Council.
2. Carrying a case load which requires undertaking all components of the development application process, including initial advice to applicants, detailed assessment of proposals, preparation and presentation of reports and attending to any subsequent appeals or compliance activity.

KEY FUNCTIONS AND RESPONSIBILITIES

Statutory Planning Management

1. Supervise, mentor, and manage the day-to-day operations of the delegated team of statutory planners ensuring the efficient and accurate processing of applications and that essential statutory requirements are met.
2. Undertake the assessment and critical evaluation of the more difficult complex and sensitive development applications.
3. Undertake any necessary follow-up action in relation to the implementation of enforcement of planning permits. Undertake site inspections and subsequent reporting to Council on breaches of, or non-compliance with, statutory planning controls.

4. Provide information and negotiate (as necessary) with developers, landowners, applicants, and other parties (primarily in regard to complex and sensitive development proposals) in order to achieve Council's strategic objectives and statutory planning requirements.
5. Provide strategic and statutory guidance to Council management on major development proposals, planning policy issues and other planning and subdivision matters.
6. Respond sensitively and promptly to community requests and complaints and establish and foster strong relationships with internal and external client groups.
7. Provide a professional and effective representation of Council at public forums and planning appeal tribunals and attend the Council's Planning Authority meetings so that appropriate advice on statutory planning matters may be provided as required.
8. As a Senior member of the Development Services department, contribute to the development of improved systems, processes, and new ways of working to streamline statutory planning processes and to increase the efficiency and quality of services.

Leadership and Accountability

9. Provide leadership to the Statutory Planning Team by managing, coordinating and monitoring workloads and performance of team members.
10. Demonstrate, encourage, and support collaboration between members of the team and other departmental and Council officers, ensuring an integrated approach to the delivery of statutory planning services.
11. Actively promote a strong service culture through authentic and supportive leadership, underpinned by regular team and individual performance assessments.
12. Provide direction and statutory planning interpretations advice to Planning staff on complex planning matters.
13. Review all statutory planning reports and formal correspondence, prepared by direct reports for delegated reports in addition to the Planning Authority agendas.
14. Within the Team, actively promote responsiveness, efficiency, and effectiveness in statutory planning procedures.
15. Ensure that staff members are clear about their duties and the standards expected of them in the performance of their duties.
16. Ensure that the working environment is safe and without risk to the health and wellbeing of workers and others in the workplace.

Delegation/Authority

17. Act in the role of Coordinator Statutory Planning as required.
18. Act as a delegate for Council in decision making under delegated authority.
19. Sign correspondence and decisions relating to planning matters in accordance with the delegation parameters.

Other duties as required/directed from time to time. An employee may be directed to carry out such duties as are within the limits of the employee's skills, competence, and training.

Work Health and Safety: Take reasonable care that your acts and omissions do not adversely affect the health and safety of yourself or others in the workplace; comply with any reasonable instructions given to you by the Council; and comply with the requirements of any and all WHS policies and procedures.

Authority and accountability: Employees at this level are professionally autonomous and undertake professional work that is novel, complex, or critical. They may be responsible for the supervision and mentoring of less experienced professional Planners.

Judgment and problem solving: Employees at this level operate at an experienced level in delivering specialist work which requires extensive knowledge and a high level of skill. The position requires the capacity to work independently and without direct supervision.
